Horizontal Tractor Mounted 22 Ton Log Splitter For Hard Logs

£1,250.00

Welcome to G & S Tractors We stock a large range of Tractors - Farm Machinery - Quads ATV's - Plant - Parts + more if you require any more information email us Item Fantastically simple, reliable and affordable, utilising the tractors own hydraulics to provide the power. With a fantastic 22 tonnes of splitting force, there's not much this unit can't handle. A heavy 'H' section beam ensures no twisting or distortion can occur, even under constant workload. With its clever positioning on a tractor, logs can easily drop either side of the splitter. Key Features Horizontal split, for versatility and ease of use Strong 'H' beam section for uncompromised strength Low
